DANI & LILY

Our men are at a sports bar watching some stupid ball game. We gals got bored with that shit, so we decided to go out by the pool and do some yoga to relieve the stress. It's hard to believe that they prefer their game over us, so we'll just enjoy ourselves. Fortunately, it got too hot outside and so we went to a back bedroom where they couldn't hear us. Okay, enough talking, it's gametime for us!

what it takes to get an A in class

It was late August and the first day of my freshman year at the university and I was a nervous wreck! All of these new people and new teachers, I had no idea where to go! Somehow I managed to get to my first class right after the bell rang. I guess that's not a great first impression to have on a teacher, but it was the only one I could've made. I took a seat by the front seeing as it was the only one left. My Psych 101 teacher was Ms. Reynolds and might I say DAMN!!!! Such an amazing looking woman almost made me cream myself right then and there! For the remaining 50 minutes of the class, I probably should have been paying attention to the quiz she had given us, on our first day, no less, but all I seemed to do was to gaze at her beautiful rack on a nice athletic frame. Sweet, soft skin with deep brown eyes and perfect blonde hair. She wasn't that tall, around five foot six, I'd say.

The rest of the day I managed to get to all my other classes right on time, or should I say right in time seeing as how it was almost always about 30 seconds before each tardy bell rang. I couldn't pay attention to anything anyone was saying, because the entire day I had Ms. Reynolds's nice ass floating around in my

head. Finally the last bell rang and it seemed like every student ran into the quad at the same time. I walked slowly so that when I passed Ms. Reynolds's class I was able to enjoy the view. I found a nice table to sit at and await my prize.

I suppose now would be a good time if any to explain exactly what I look like. Well I have light skin with no marks or blemishes, jet black eyes and shoulder length hair that I keep straightened. I think I have soft full lips, a firm round ass, perky breasts with half-dollar sized nipples. And not that you need to know right now, I like to keep my privates clean-shaven, but I do let it go for weeks at a time if I'm got getting it on with someone. I have always felt a deep admiration of the female form, never really been attracted to guys. I had many girlfriends, but nothing too serious – just having fun.

I sat there and began to doodle in my notebook when suddenly Ms. Reynolds walked over and asked to speak with me. I couldn't understand exactly what she wanted, but I would soon find out. Ms. Reynolds looked me over a good while she began to speak in a sexy voice with a pussy wetting accent. "Marla I pulled your records and found that you had extremely high math scores, so I can't find a reason as to why you failed my pop quiz." I looked down at the ground then back up at her and finally spoke, "I'm sorry Ms. Reynolds, I guess I was just a little distracted. I promise to try harder." Then she asked,

We jumped in and raced to her house. It took about fifteen minutes to get there and during the entire ride she had her hand down my skirt ...

"If you don't mind me asking, what did you find so interesting that you couldn't focus on your quiz?"

"Well Ms. Reynolds if you must know, it was you." I answered. "Me??? Marla are you saying I somehow distracted you?" I blushed then inched a little closer to her and whispered, "Yes Ms. Reynolds that's exactly what I'm saying, but it wasn't just you that distracted me, it was also your voice and perfect body." A sweet smile came over her face and she put her arm around my waist pulling me closer, "If that's the case I suppose you need some after school tutorials and maybe some help on the weekends." Looking at her with big pleading eyes that just screamed take me, I agreed.

I nodded, then quickly got up and headed home after an exciting and confusing first day. During the following days, my eyes watched time tick away slowly, painfully. Tick tick tick was all I heard. Not one word said by any of my instructors seemed to reach my ears, it was like every other sound was blocked out except for the ticking of the clock. My heart pounded with each stolen glance, when finally the release bell rang. I bolted out of my last Friday class and into the faculty's parking garage waiting for Ms. Reynolds. I saw her walking slowly towards me with a tiny bounce in her step like she was excited or something.

Finally she reached where I was waiting and we walked to her car.

We jumped in and raced to her house. It took about fifteen minutes to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties. I was so wet and my pussy was throbbing! We got to her front door and kissed passionately, rubbing our hands up and down each other's bodies. She unlocked the door and opened it in one swift motion we were in. Immediately, she pulled me towards the bedroom and pushed me onto her huge bed. She ripped the shirt from my body, and tore my skirt off, pulling my panties off in less than five seconds.

Ms. Reynolds began to kiss down my neck and chest with her supple

Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit.

and gentle lips. She climbed on the bed and straddled my stomach, slid her blouse and bra off and then bent over to kiss me once more. I grabbed her by the hips and switched positions with her and took her jeans off then pulled her sweet smelling thong off her with my teeth. She rolled gently underneath me and reached into her nightstand and pulled out what appeared to be a black strap-on. I looked wide-eyed at it and asked her what it was for.

"I want you to fuck me with this strap-on." she said in a sexy tone. I blushed, "but I don't know how to use it."

She made me stand up at the side of the bed and she sat on the edge. I lifted each leg as she pulled it up my lower body and adjusted the waistband around me. Then she put a little vibrating part inside me and turned it on, I couldn't believe how good it felt. Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit. I bent down and licked her shining pussy, flicking my tongue in and out to give her a tease of what was bound to come. I pulled her butt cheeks apart a little and snaked my tongue to her puckered hole. I flicked my tongue a couple times and then a quick rub of my finger and she squirmed and purred,

Then I shoved the fake dick inside of her, slowly sliding it in and out then picking up the pace. I held

her wrists down and pushed it in as far it would go, making her moan loudly. I pulled it out and pushed it in with a fierce lust building in the depths of my pussy, I felt like I was going to cum everywhere, but I held it in so that she may cum first. Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

Seeing her like this turned me on so much that I began cumming with a loud scream of pleasure. I pushed it in one last time while I was orgasming and apparently that sent her over the edge too, because she began to squirt everywhere. I took it out of her and bent down to lick off the remaining juices. She tasted as sweet as strawberries. The yummy taste of her pussy caused me great wetness so I slid the strap-on off of me and layed down. Thankfully she got the picture of what I was aiming for.

She bit her way down my body, teasing my nipples with soft gentle bites and tongue circles. I took a deep breath and focused on how amazing this felt. Lowering herself to where she became level with my glistening clit, she began kissing up my inner thighs, then stopping when she reached my pussy. She parted my legs and admired what she sought. Even from my perspective, I could see my mound glistening in the lamplight. Looking back up at me, Ms. Reynolds smiled and gave my labia a loving little nibble, then took my entire pussy into her

mouth and put her tongue to work.

The warmth of her tongue felt like heaven as she moved it in and out of me gently. I moaned softly from this sweet pleasure; she hummed into my pussy causing little vibrations which made me take deeper breaths. She took her tongue out to pleasure my sensitive little clit and while my clit became hard she slid one finger into me, then two, then three before I moaned at that wonderful feeling. Her fingers picked up the pace and were soon being shoved in and out of my pussy with a quicking motion.

With her tongue flicking my clit and her fingers buried deep inside me, there was no way I could hold on

much longer. I came all over her hand and chin, breathing heavily and shaking. She lapped at my juices like a hungry little kitty craving it's mother's milk.

We both sat up and pulled each other close and hugged, pressing our hot, moist bodies against each other. Backing away, she pushed me gently back onto my elbows, grabbed my ankle and lifted my leg. As she slid her body towards me, she pulled me closer and our soaked pussies met in the scissors position. We grinded against each other's pussies and moaned softly in each other's ears.

We sat up and our breasts began to rub against each other matching the movements of our pussies. We had one final orgasm together and as our juices mixed we kissed gently. Both of us were satisfied and breathing heavy. Later on we fell asleep in each other's arms only to wake up several hours later. We took a quick shower together and got dressed. She drove me home and for the entire ride we sat silently holding hands. We reached the end of my street and as I got out we kissed one last time.

I walked up to my house, unlocked the door, turned to wave goodbye and blew her a kiss. I went to my bedroom. I layed on my bed and looked up at my ceiling then thought to myself as I drifted to sleep what a wonderful first week, wonder what the rest of the semester will hold. All A's in Psych, I hope.

Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

Despite her hip-hop name, Prinzzess is actually a demure Southern Belle who was born and raised in the Sunshine State. She's is a seasoned centerfold who enjoys long walks on the beach and eating pussy. "I'm really into girls," Prinzzess explains. "I mean, I like guys, too, but girls are so soft and curvy, and they smell really good, you know?" Oh, we know. Girls are great at sucking cock, too. You'll have to trust us on that.

ANASTASIA & BIJOU

It's our turn in front of the camera today and we're ready to rock it. We shaved carefully down there. OK, we were nervous. But when we started filming and having sex, it left our minds and we focused on each other. That was very nice and we stayed wet throughout the day. I'm Anastasia and she's Bijou. And for you, we just got our freak on.

BLAIR-NTS-00

AFTER ALL THE YEARS I GAVE TO MY COMPANY, TODAY IS MY FINAL EXIT....

I was laid off my job and now I have to get myself together and go job-hunting. Even though my ego is a bit shot, I'm looking forward to new adventures and remembering the old ones. Some of those are better than others...

For the last ten years I've been working at a large clothing manufacturing company in Southern California. Economic times have been good and bad, but not as bad as they are now. In the past five years, the company released over 400 employees – and now I'm about to feel the crunch. Yesterday my whole department was let go, adding another fifty to the unemployed ranks and me – another 38-year-old man – into the job pool. Fortunately, there are memories I can keep.

The most difficult thing about getting let go was to have to leave all the friends I had made during my tenure there. One of the most difficult of all to leave was a woman named Sophie. She wasn't in my group, but we had almost daily dealings together. I had envisioned her slender form a million times as she would wander back and forth past my office door during the course of the day. Always nicely dressed her firm breasts and tight ass accented whatever she would wear. Her gliding steps showed off her well toned legs as she passed by on what seemed endless trips of her well planned journeys whose only purpose was to make me fantasize over her. She had a well toned, and shapely ass, which rode atop muscular well developed legs. Her upper torso looked like it was rock hard and included those stand up, too-perky, firm breasts that always were leading her way.

My description of her does not do the actual Sophie justice because of her intense beauty, both outer and inner, as I was about to see first hand on my last day. I was feeling kind of lousy due to my circumstances and Sophie thoughtfully gave me a hug as if to say 'everything will be OK.' It was difficult to hide the swelling of my dick as she pressed her tight body against mine. I reciprocated the hug back but the only thought on my mind was relieving my cock inside her full mouth or her sweet pussy, maybe even her ass (a guy can dream, can't he?).

She noticed the ever growing bulge in my pants and took me by the hand to the nearby vacant office of

somebody else who suffered the same vocational fate as me (Doug Smith). My mind was racing with possibilities of what might happen here, but my logical self decided that this would be too good to be true so I dismissed any romantic possibilities, until she squeezed my hand with hers, and with her free hand she rubbed the outside of my expanding pants. I closed the office door and, with nothing to lose, spoke up, "I have wanted to fuck you since the first day I met you." She responded by unzipping my pants exposing my throbbing cock, and saying "Well why haven't you then?"

"Now that I know that you are excited..." She engulfed my cock in moist and silky lips. She took almost all of my cock into her mouth, her tongue massaging the shaft of my prick while I felt her sucking the precum from the head. Her hands moved deftly about massaging my ass then hefting my balls. All the while her rhythmic head bobbing and sucking action made me cum in her mouth. I was not sure how she was going to react to that seeing as how some women don't care for that, but I am happy to say that she gulped it all up and said to me that I had the best tasting cum she had ever had, and wanted to drink of the nectar again, but I had plans for her pussy that could not be put off.

Watching and feeling Sophie suck on my dick made me want to do the same for her, so I lifted her onto the barren desktop, and pulled the chair around so I could go to work. I found that she was not wearing any underwear as I lifted up her dress to expose the object of my desire. Her pussy was sweet and sopping wet as I dove in, lapping at the exposed inner lip and mixing my spit and her juice. I tightened up my tongue and with my hands spread her pussy wide open to show off her pink, wet pussy and clit. I tongued all around her clit, brushing up against it once and again. I felt her twitch with anticipation every time I got close to her clit, I finally just put both lips around her clit and started sucking it while rubbing it with my tongue. Her hips thrust upward and closer to me, shoving her pussy further into my face, almost to the point where I couldn't breathe anymore. My nose got another whiff of her woman's scent and I felt my cock get even harder, as if that was even possible at this point.

She continued by rubbing her pussy all around my face while I tried to keep a lip lock on her clit, gently pulling it as she continued to grind her pussy into my face. This action made her cum like gang

busters. Her pussy juice was all over my face and she bent over and licked the sauce from my face and then got up from her perch and removed her dress and bra so I could see, in full, the heavenly body she possessed.

Sophie told me to strip down so she and I could explore each other for a while, and I did so eagerly. We sat on the little sofa and started touching each other's bodies. This action lasted only a few minutes when she found my dick hard as a rock. She bent over, stroked my cock a couple times for good measure and kissed the head of my cock, which was ready for her wet pussy. Then Sophie spun around on the sofa so that her knees were on the seat and her arms rested on the back of the sofa. She took one hand and reached around and pulled back on her ass cheek showing me her hot slit and moist puckering asshole. I got up and positioning myself behind her, plunged my cock into her pussy. It was the hottest pussy I had ever stuck my dick into, she moaned with delight as I entered her. Slowly at first, and then speeding up slightly with every other stroke. I reached around and played with her hard nipples, squeezing them with each inward thrust.

Her butt was right in front of me and I couldn't resist playing with her puckered anus as I thrust into her pussy. I stuck my middle finger into her pussy to lube it up and then pulled it out and started swirling it around her butt hole. I heard muffled groans as soon as I did this and boldly stuck in my thumb up to the first joint. More groans. I made small circles in her butt as my cock was bruising the insides of her hot, wet pussy. I inserted my thumb deeper and deeper into her and thought to myself that she's getting dp'd by just one man – me. That made me even hotter as I banged her pussy like a jackhammer.

Sophie liked this very much, but wanted me to fill the other hole with my cock and squeeze her tits some more. I was more than happy to oblige her request. I withdrew my throbbing tool and she reached around with both her hands and spread her ass cheeks so I could see the tight puckered prize. My cock lubricated with the juice of her cunt and my precum, slipped relatively easy into her waiting asshole. Like her pussy it was very hot, a few thrusts and some nipple tweaks later we were both cumming, her back arched up to meet my chest, and she tightened up her asshole, which extended the orgasm for both of us.

CASSANDRA

Take a look at me for a moment. I am blessed with flawless skin, a perfect complexion and smoky bedroom eyes with a most seductive sparkle in them. A kissable round bottom and voluminous, natural breasts that give me that perfect hour-glass-figure. You won't get enough of touching my soft, velvety skin, feeling my womanly curves pressed against your body, and feeling my warm mouth encircle your hard cock. Then I'll take you for a fuck of a lifetime!
